What is a FIEP Team meeting?

An IEP Team Meeting lead by a facilitator and designed to be a collaborative dispute prevention and resolution process used when members of an IEP Team agree that the presence of a third party would help facilitate communication and problem solving. IEP Facilitators can be useful in various ways, including when there is a history of communication challenges or a meeting is expected to be particularly complex or controversial.

How

- Submit a completed request form to the GaDOE
- Request forms are on the participating school districts' websites
