

Lunch *Bites*

School Nutrition is fueling you for the school year!

We specialize in feeding children healthy meals,
so they are nourished and ready to learn.

Check out these fun facts about our program:

An infographic shaped like a green lunch tray, held by two hands. The tray is divided into several compartments. Top left: 'Georgia Grown Produce' with a watermelon and tomato. Top middle: '2 time USDA Best Practice Winners' with a trophy. Top right: '2nd Golden Radish Award Farm to School' with a radish. Bottom left: An illustration of a fried egg next to the text '518,749 Breakfasts', '1,094,371 Lunches', and 'Served in SY16-17'. Bottom middle: 'Kid-approved choices!' with a thumbs-up icon. Bottom right: '75 Staff Members' with an illustration of a staff member serving a tray. A blue speech bubble on the right says 'Fork Full of Facts'.

Georgia Grown Produce
